What is the Blanket Exercise?

it is a workshop that explores the nation-to-nation relationship between Indigenous and non-Indigenous peoples in Canada. Blankets arranged on the floor represent land and participants are invited to step into the roles of First Nations, Inuit and later Métis peoples. The workshop helps people to understand how the colonization of this land impacts those who were here long before settlers arrived. It engages people's minds and hearts in understanding why the relationship between Indigenous and non-Indigenous peoples is often broken and how we can take action together.
